- Polly asked why the shuttle is no longer going to the MBTA station. Adria advised that, that route was not used enough to warrant the SSU shuttle going there.
- Josh asked to see shuttle schedule. Adria and Ben advised that the schedule is available online, along with the ability to track where the shuttle is.
- Polly asked about the bus shelter. Dominick advised that they need to determine who is funding the bus shuttle, the city or the MBTA. Polly asked about advertising costs offsetting some of the costs of the shelter. Dominick will look into and advise.
