An Ordinance to amend the zoning ordinance by adding an Municipal and Religious Adaptive Reuse Overlay District to facilitate the appropriate reuse of eligible buildings and thereby protect and advance the general public welfare.

Change 1

Section 1. Section 8 - Special District Regulations of the City of Salem Zoning Ordinance ("Ordinance") is hereby amended by adding the following new section:

8.7 Municipal and Religious Reuse Overlay District

8.7.1 Purpose.

In addition to that set out in Section 1.1 of the Ordinance, it is the intent of this Section 8.7 to allow for reuse of municipal properties ("Municipal") and properties used for religious purposes and protected by G.L. c. 40A §3 ("Religious"). This overlay district provides zoning flexibility to allow for such redevelopment, while also facilitating historic preservation, economic development, housing production and environmental sustainability and resilience. When Buildings and Lots in Municipal or Religious use no longer serve such purposes, this Section envisions a process and zoning to allow for reuse, either by a public or private entity, which will best serve the community but will minimize impacts to surrounding neighborhoods.
