condominium or cooperative form or ownership in buildings containing two or more residential units.

SECTION 2. Such ordinance may include, but is not limited to: (i) provisions for investigations and hearings on condominium conversions or proposed conversions; (ii) a permit process; (iii) tenant notification requirements; (iv) relocation costs for tenants and other measures to protect tenants; (v) control of evictions; (vi) penalties for violation of the ordinance; and (vii) afford tenants and the City or the City's Designee the right to purchase the residential property in which the tenant(s) reside(s) when the residential property is being offered for sale.

SECTION 3. The ordinance may establish a condominium review board or vest administrative duties in an existing municipal board, commission, or office. The review board may exercise such powers as it is given by the ordinance.

SECTION 4. This act shall take effect upon its passage.

Councillor Cohen made a motion to not refer the matter to Committee and adopt this tonight. Councillor Morsillo seconded the motion. It was so voted

AMENDED VERSION:

ORDERED: That a petition to the General Court, accompanied by a bill for authorization to enact a local condominium conversion ordinance for the purposes of tenant stability and maintaining the general welfare of Salem residents, as set forth below, be filed with an attested copy of this Order be, and hereby is approved to the end that the following legislation be adopted, except for amendments by the Senate or House of Representatives which conform to the intent of this home rule petition:

AN ACT authorizing the City of Salem to enact a condominium conversion ordinance for buildings containing two or more residential units.

#56 - (#628 of 2022) - ZONING ORDINANCE RELATIVE TO ACCESSORY BUILDINGS AND AFFORDABLE ACCESSORY DWELLING UNITS

Councillor Stott offered the following report for the Committee of the Whole. It was voted to accept the report.

The Committee of the Whole to whom it was referred the matter of an ordinance to amend a zoning ordinance relative to Accessory Buildings and Structures and Affordable Accessory Dwelling Units has considered said matter and would recommend adoption as amended for first passage by roll call vote.

Councillor Dominguez assumed the chair.

Councillor Stott the amendment made in committee was to strike Sec. II (c). After discussion, it was determined to be too much of a burden and cost to implement 2 water meters. The Owner Occupancy section was voted to keep it in the ordinance. Councillor Stott also recapped the time line.

Councillor Stott explained she was of the mindset when reviewing this ordinance is that we have an affordable housing crises and didn't want unnecessary restrictions. She does have concerns about gentrification. But believes any additional units this may create is a win.

Additional questions have come up since this committee meeting regarding Sec. II (b).

Councillor Morsillo made a motion to strike Sec. II (c) regarding the water meter. Councillor Varela seconded this motion. A yes vote is to keep the current ordinance in place and a no vote means the water should be separate from the other utilities. This motion was adopted by a roll call vote of 10 yeas, 0 nays, and 0 absent.

Councillor Morsillo made a motion to strike Sec. II (b) in it's entirety. Councillor Varela seconded the motion. By striking this section, it would keep the home ownership requirement as is.

CITY OF SALEM
JANUARY 26, 2023
REGULAR MEETING

Councillor Morsillo stated that on one side zoning should be about uses not who lives there. She gave some data on waitlists that 22,963 household on waitlist and 6,000 on senior housing waitlist. Every community should increase their affordable housing. But we don't want to make properties more desirable housing for developers. We don't know enough on how construction grants or abatements will work.

A yes vote is to strike the removal and leave as is and a no vote will remove the owner occupancy requirement.

Councillor Merkl stated that she would like to remove barriers to ADUs. She understands both sides. She stated however the vote goes she will feel comfortable with the outcome due to lengthy and thoughtful conversations among the Council.

Councillor McClain is thinking what effect it will have on the market place. Owner occupancy or adding free standing structure it doesn't foresee an uptick doesn't make sense economically, interest rates are going up, supply chain issues, increase in building costs. As Councillors it is incumbent upon us to always be willing to make changes, bring public discussion along and he is not seeing overwhelming support to remove it. Pay attention to the public. There are legitimate concerns for quality of life. We are not pitting one class against another. Doesn't believe however that this would change zoning i.e. Residential Single Family (R-1) would become an R-2; or an R-2 will be an R-3.

Councillor Hapworth feels we have to keep our commitments. So not in favor of removing owner occupancy. We shouldn't lose the trust of those who put us here.

Councillor Watson –Felt is in favor of striking this.

Councillor Cohen stated he is conflicted. Even though he was in favor of this at the committee meeting to remove owner occupancy restriction he believes the incentives for ADUs should not be available to developers. He stated he is biased towards renters. Very important and that's why the condo conversion and tenant protection so important.

Councillor Prosniowski a yes vote means the owners are still required to live in that house. Although this won't change the housing stock whatever way this is voted, more important is to talk about zoning. Agrees that the incentives are more for the developers.

The amendment to strike Sec. II (b) was adopted by a roll call vote of 9 yeas, 1 nay and 0 absent. Councillors Watson-Felt, Varela, Prosniowski, Morsillo, Merkl, McClain, Hapworth and Dominguez and Cohen all voted in the affirmative. Councillor Stott was recorded as voting in the negative. The matter carries.

CITY OF SALEM
JANUARY 26, 2023
REGULAR MEETING

Councillor Morsillo is in favor of set-backs and detached structures. One of the issues we learned were difficult for residents wanting to have an ADU was the set back requirements. We have other areas especially in the historic districts that are very dense. She believes building a new detached structure is going to cost money, so there won't be a ton of these.

Councillor Watson-Felt reminded everyone that if you reside in a designated Historic District you still need to go through the Historical Commission for their approval.

Councillor McClain stated that the detached structure was what he struggled with the most and setbacks. But since there are other requirements in place i.e. fire code, no windows if within 5 feet he feels comfortable supporting this now that the owner occupancy is staying.

The Adoption of this Zoning Ordinance as amended was adopted by a roll call vote of 9 yeas, 1 nay and 0 absent. Councillors Watson-Felt, Varela, Prosnowski, Morsillo, Merkl, McClain, Hapworth, Cohen and Stott all voted in the affirmative. Councillor Dominguez was recorded as voting in the negative. The matter carries.
