Committee members can be assured that everything is in order when the item is on our agenda.

Councilor Cohen moves to refer the secondhand clothing license to the Council with a positive recommendation for approval, seconded by Councilor Watson-Felt. The motion passes 5-0.

Councilor Morsillo takes a minute to share with the new committee that there are two items in the committee. One is the right-on-red study, with backup information found on the share drive. The plan is to hold a series of meetings to focus on specific areas of the city. The second item is related to Greenlawn Cemetery to determine a policy for how to handle personal belongings left on cemetery plots.
