#106 – COMMUNICATION FROM THE MAYOR REGARDING INCLUSIONARY ZONING

The following communication from the Mayor giving an update on Section 3A Compliance and Inclusionary Zoning was received and filed.

Honorable Salem City Council
Salem City Hall
93 Washington Street
Salem, MA 01970

RE: Section 3A Compliance and Inclusionary Zoning Update

Dear City Councillors,

CITY OF SALEM
FEBRUARY 23, 2023
REGULAR MEETING

This letter is to provide you with an update on the status of Section 3A compliance and the inclusionary zoning ordinance. As you are aware, the economic development bill adopted in January 2021 included Section 3A of M.G.L. c. 40A (the Zoning Act). Section 3A requires that each MBTA community have at least one zoning district that meets certain criteria, including allowing multifamily housing by right, to enable housing production. How an inclusionary housing ordinance is structured impacts whether it is considered “as of right” and in compliance with Section 3A. It is critical that Salem remains in compliance to continue to be eligible for State funds, including grants from the Housing Choice Initiative, Local Capital Projects Fund, and the MassWorks Infrastructure program.

Section 3A Compliance

On February 24, 2022, the City completed the first part of the compliance requirements. In the fall of 2022, the City participated in the initial round of technical assistance with the Massachusetts Housing Partnership (MHP) to evaluate whether the Central Business (B5) zoning district is in compliance with Section 3A. MHP concluded it appears the B5 is in compliance. In the coming weeks, the Department of Housing and Community Development (DHCD) will release the formal application for communities to demonstrate they are in compliance with Section 3A.

Impact of Section 3A on Inclusionary Zoning

On October 21, 2022 DHCD published revised Compliance Guidelines for Multi-family Zoning Districts Under Section 3A of the Zoning Act. Per the revised guidelines, if the zoning district requires residential units to be affordable below 80% of the area median income (AMI) then the process is not considered “as of right” therefore would not be in compliance with Section 3A. However, the guidelines state that it will allow for affordability deeper than 80% AMI at the discretion of DHCD if the affordability requirements applicable in the multi-family zoning district are supported by an economic feasibility analysis, prepared for the municipality by a qualified and independent third party acceptable to DHCD, and using a methodology and format acceptable to DHCD. To that end, the inclusionary housing ordinance will not be filed until after an economic feasibility study is prepared. Planning staff has applied for technical assistance through the Metropolitan Area Planning Council (MAPC) to assist with an economic feasibility analysis.

If you have any questions regarding this, please contact Deputy Director of Planning & Community Development, Amanda Chiancola at 978-619-5685 or achiancola@salem.com

Thank you for your attention to this matter.

Sincerely,
Robert McCarthy
Acting Mayor

REGULAR MEETING

Councillor Morsillo gave an explanation of Inclusionary Zoning and the things to work on with new housing around MBTA Zone. It will take more time and more analysis will need to be done.

#107 – RESOLUTION – FOSSIL FUELS

The following resolution introduced by Councillor Cohen was adopted by a roll call vote of 7 yeas, 0 nays, 1 present and 2 absent. Councillors Varela, Prosniewski, Morsillo, Merkl, McClain, Dominguez and Cohen were recorded in the affirmative. Councillor Watson-Felt was recorded present and Councillors Hapworth and Stott were absent.

In City Council, February 23, 2023

Ordered:

WHEREAS, climate change is in part caused by humans' combustion of fossil fuels; and

WHEREAS, Salem is an environmental justice and Gateway community, one of the most vulnerable to climate change on the North Shore, with the most precarious areas housing a high ratio of marginalized communities; and

WHEREAS, the findings of the Resilient Together, a Salem and Beverly joint venture, demonstrate the built environment is the largest contributor to greenhouse gas emissions and the concept that making properties sustainable is a financial burden is a myth, especially with the state goal of converting 1 million homes to electric in the Roadmap Climate Bill; and

WHEREAS, net-zero emissions building construction is an established, achievable standard, demonstrated through proposed and constructed buildings in Salem, utilizing energy efficient building design such as a Passive House and LEED and including but not limited to renewable thermal technologies, building electrification with no on-site combustion of fossil fuels, on-site renewable energy systems, and offsite renewable energy purchases.

NOW THEREFORE, it is hereby Ordered:

That a petition to the General Court, accompanied by a bill as set forth below, be filed with an attested copy of this Order be, and hereby is, approved under Clause (1) of Section 8 of Article 2, as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that the following legislation be adopted, except for amendments by the Senate or House of Representatives which conform to intent of this home rule petition:

An Act authorizing the City of Salem to adopt and enforce local regulations restricting new fossil fuel infrastructure in certain construction.

CITY OF SALEM
FEBRUARY 23, 2023
REGULAR MEETING

SECTION 1.

Consistent with Chapter 179, Section 84 of the Acts of 2022 *An Act Driving Clean Energy And Offshore Wind* and notwithstanding any general or special law or rule or regulation to the contrary, the city of Salem is authorized to adopt or amend general or zoning ordinances that require new building construction or major renovation projects, as defined by the city's general or zoning ordinance, to be fossil fuel-free and enforce restrictions and prohibitions on new building construction and major renovation projects that are not fossil fuel-free, including through the withholding or conditioning of building permits.

SECTION 2. As used in this Act, the term "fossil-fuel-free" shall mean new building construction or major renovation that results in an entire building that does not utilize coal, oil, natural gas, other fuel hydrocarbons, or other fossil fuels in support of its operation after construction.

SECTION 3. This act shall take effect upon its passage.

Section 5. This ordinance shall take effect as provided by City Charter.

Councillor Morsillo was dismayed by the lack of data. There was only 3 months worth of data and over a year now the Covid Trailer has been there taking up spots. When people were waiting in line they did not pay the meter they were parked at unless they saw the meter attendant coming and then they would insert a quarter.

Councillor Prosnowski stated Riley Plaza has gone through many changes but one thing that hasn't changed is that business down there depend on Riley Plaza for parking. This will affect businesses.

Councillor Watson-Felt stated business were upset when meters were placed on Gedney Street. This required more discussion and engagement with the business in that area.
