Susie Moulton from Friends of Salem Common, together with Liz Aberg had some concerns about the impact on the newly planted trees at the front entrance of the Salem Common. They were grateful that new trees were planted last year, but wanted to make sure they did not get damaged during the set up for all these events. Ms. Talkowsky assured them that she redesigned the plans to make sure they are not interfering with any of the trees. She is not setting up anything on the southside so they will be away from the trees. Mr. Shea suggested making some kind of 3' buffer around the trees. Ellen Talkowsky will speak with Fiesta regarding protecting the trees.

There being no further questions or comments regarding this matter, Mr. Shea made a motion to approve the use of the Salem Common for Heritage Days and Haunted Happenings events. Mr. Roberts seconded the motion. The motion carried unanimously.

and arts and crafts. School district staff will also be available to answer any questions that students or parents might have for the start of the school year.

Judith Reilly said she was at the Back to School Fair last year and they ran out of backpacks. Ms. Cruise explained to her that it is “first come, first serve”.

There being no further questions or comments regarding this matter, Mr. Shea made a motion to approve the use of Palmer Cove Park for the 2<sup>nd</sup> Back to School Fair on August 23, 2023, from 4:30 p.m. until 7:30 p.m. Mr. Roberts seconded the motion. The motion carried unanimously.

3. **Old Business:**

Judith Reilly wanted to know when the policy for naming memorial plaques on the park property would be completed. Ms. O’Brien said we are still in the process of reviewing it and need to have a full commission to vote on it.

4. **New Business:**

There was a discussion regarding who gets the money from the parking meters at the Willows and Forest River Park. Ms. O’Brien will get the information clarifying where and who gets the money for parking meters and parking stickers.

Mr. Shea said he has received complaints regarding why do folks have to pay a meter if they are watching their son or daughter’s baseball game at Forrest River Park? Does not seem right. Ms. O’Brien explained, if they have a sticker for the parks, then they do not have to pay for parking.

Doreen Wade from Salem United, Inc., wanted to understand what the process is going to be for putting this policy into place. Ms. Amaral said, as explained in the last meeting, as far as the Naming and Memorial Plaque request on Park Property Policy is concerned, it would not be this meeting because we wanted to have all commission members present and we have at least one meeting off in the summer. The commission expects to have the policy in place by September or October.

5. **Adjournment:** There being no further business to come before the Salem Park and Recreation Commission this evening, Mr. Shea moved to adjourn the meeting. Seconded by Mr. Roberts. The meeting was adjourned at 7:45 p.m.

Respectfully submitted,

Joanne M. Roomey  
Commission Clerk
