Goals:

- Create entrance statement that marks Gallows Hill Park as a destination
- Design a central gathering space around the renovated skatepark and playground
- Raised memorial to give prominence
- Provide more seating and shade trees
- Improve pedestrian circulation
- Improve parking lot (striping and organization)
- Include a visitor drop off area
- Add rain gardens to receive water from parking and any hardscape
- Create highschool regulation size baseball field with irrigation
- Improve trailheads and trails
