Monday, June 20, 2016, at 7:00pm at 120 Washington St, 3rd Floor, Salem, MA*

Meeting Agenda

Call Meeting to Order

Roll Call:

1. Public Comment

2. New/Old Business

- **Salem Bicycle Share Proposal** – The City is exploring options to upgrade the existing Salem Spins program to a more automated, bike-share style model similar to Boston's Hubway bike share system. The Mayor's office and Jeff Elie have been exploring options and have already received a proposal from Zagster for their turn-key system. That proposal will be shared with the Committee for discussion.
- **Preliminary Conceptual Designs for Pedestrian and Bicycle Improvements Downtown** – Toole Design Group have been working with the City to make improvements to Washington St, North Street/Summer St, and Norman St. These would be primarily accomplished with striping changes and the City is looking to a federal funding source to make it possible this summer.
- **Project Tracking Form** – Go over a new project tracking form for the Committee so we can keep track of projects. Form will be shared with Committee members online and also available online to update/comment on.
- **Bicycle Master Plan Update** – Discuss what firm to use for update of Bike Circulation Master Plan and what the Committee might want to see in the update.
