MEETING NOTICE AND AGENDA

The Community Preservation Committee will be holding a Public Meeting on
Tuesday, May 26, 2020 at 6:00 P.M.
via remote participation with instructions posted to www.salem.com
in accordance Governor Baker's Emergency Order dated March 12, 2020.

Important Announcement:

Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the City of Salem Community Preservation Committee will be conducted via remote participation using the platform Zoom. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the city's website, at www.salem.com/home/news/zoom-teleconferencing-tool. **No in-person attendance of members of the public will be permitted**, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so despite best efforts, we will post on the city's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Providing Public Comment During the Meeting:

Members of the public attending this meeting virtually will be allowed to make comments, if they wish to do so, during the portion of the meeting designated for public comment at the beginning of the agenda. During portions of the meeting in which public comment is permitted, members of the public who have "raised their hand" in Zoom will be unmuted and called on to offer comment. In order to raise a hand, members of the public using the Zoom computer or phone application may click the "Raise Hand" button; members of the public dialing in may

press the star key followed by the number nine (*9), to raise their hand to speak. Attendees will be called on by their screenname or the last 3 digits of their telephone number. When called on, the moderator will ask the attendee to unmute their device and provide their full name, address and comment for the record.

Understanding Zoom:

We encourage members of the public to install and familiarize themselves with Zoom in advance of the meeting. If you plan on providing public comment and are logging into this meeting via the Zoom application, please test your speakers and microphone ahead of time. If we have trouble hearing you when you speak, we will move on to the next person and try to return to you later in the list.
