Second Passage of a Traffic Ordinance relative to Zero Emission Vehicle Parking and Charging

In the year Two Thousand and Twenty-Three

An Ordinance Relative to Traffic

Be it ordained by the City Council of the City of Salem, as follows:

Section 1. Article V – Parking of Chapter 42, the Traffic Code, is hereby amended by adding the following new division:

DIVISION 3. – Zero Emission Vehicle Parking and Charging

Sec. 70A – Regulations

In accordance with the provisions of Chapter 40 S. 22A of the Massachusetts General Laws, zero emission vehicle charging stations shall be reserved for charging or parking by zero emission vehicles only. All other parking regulations applicable to the location in which the zero emission vehicle charging station is situated shall apply to zero emission vehicles using the station. This shall include, but not be limited to, parking time limits, size restrictions, the payment of any other parking fees, meter fees, garage fees, or other similar fees. The user of a zero emission vehicle charging station or equipment may be subject to fees for its use. These fees shall be separate from any parking fees and shall not be considered payment toward those parking fees. Information shall be posted identifying voltage and amperage levels and any type of use, fees, or safety information related to the zero emission vehicle charging station.

Zero emission vehicle charging stations shall be posted with signage indicating that the space is reserved for electric vehicle charging or parking purposes only. Zero emission vehicle charging stations may also be reserved for zero emission vehicle charging only, and not permit zero emission vehicles to park without charging. Such stations must be posted with signage that clearly states such a restriction.

Publicly owned zero emission vehicle charging stations may also be restricted for use only by certain City-owned vehicles. These restrictions must be posted with signage at the zero emission vehicle charging station.

Sec. 70B – Locations

In accordance with the provisions of Chapter 40 S. 22A of the Massachusetts General Laws, the following locations are designated Zero Emission Vehicle Charging Stations:

South Harbor Garage – zero emission vehicle charging stations - public use – Four zero emission charging stations sharing two zero emission vehicle supply equipment units, located in the eastern portion of the first floor of the South Harbor Garage at 245 Derby Street, as signed.

Sec. 70C – Penalties

In accordance with the provisions of Chapter 40 S. 22A of the Massachusetts General Laws, the use of a zero emission vehicle charging station space by a vehicle other than a zero emission vehicle shall be subject to a penalty as set forth in Section 17A of Chapter 42.

Vehicles found in violation of the provisions of this Division, except those specifically exempt by law, may be removed to a convenient place under the direction of an officer of the Police Department and the owner of a vehicle removed or towed away shall be liable to the cost of such removal and storage. Any vehicle removed or towed away under the provisions of this Division shall also be subject to the penalties provided in Chapter 90, Section 20A of the Massachusetts General Laws. The towing of such vehicles shall be subject to the same regulations set forth in Article V-A of this Ordinance.

Section 2. Article I, Sec. 1 of Chapter 42, the Traffic Code, is hereby amended by adding the following new definitions:

Zero emission vehicle. A battery electric vehicle, a plug-in hybrid electric vehicle or a fuel cell vehicle

Zero emission vehicle charging station. A publicly owned and/or publicly available parking space that is served by zero emission vehicle supply equipment that has as its primary purpose the transfer of electric energy (by conductive or inductive means) to a battery in a zero emission vehicle.

Zero emission vehicle charging station - restricted use. A zero emission vehicle charging station that is publicly owned and restricted (e.g., municipal fleet parking with no access to the general public).

Zero emission vehicle charging station - public use. A zero emission vehicle charging station that is publicly owned and publicly available (e.g., on-street parking and City-owned parking facilities).

Charging. When the connector from a zero emission vehicle supply equipment (or standard outlet) is inserted into the zero emission vehicle inlet, and electrical power is being transferred for the purpose of recharging the batteries on board the zero emission vehicle.

Charging level. The standardized indicators of electrical force, or voltage, at which a zero emission vehicle's battery is recharged. Level 1 is considered slow charging, typically requiring a 15- or 20- amp breaker on a 120-volt AC circuit and standard outlet. Level 2 is considered medium charging, typically requiring a 40- amp to 100-amp breaker on a 240-volt AC circuit. DC Fast Charge is considered rapid charging, typically requiring a 60 amp or higher dedicated breaker on a 480-volt or higher three-phase circuit with special grounding equipment. DC Fast Charging uses an off-board charger to provide the AC to DC conversion, delivering AC directly to the car battery.

Section 3. Article I, Sec. 17A Schedule of Fines re: Penalties is hereby amended by inserting the following as a \$50 fine:

Zero Emission Vehicle Parking and Charging Regulation Sec. 70A

Section 4. This ordinance shall take effect as provided by City Charter.
