CONTINUATION OF A
JOINT PUBLIC HEARING OF THE
CITY COUNCIL AND THE PLANNING BOARD**

A Continuation of a Joint Public Hearing of the Salem City Council and the Planning Board was held in the Council Chamber on Thursday, August 15, 2019 at 7:00 P.M. for the purpose of continuing discussion on the following two (2) separate Zoning Ordinance Amendments summarized below:

1. An Ordinance Amending Zoning Section 3.2.8 Accessory Living Areas by deleting the existing text in its entirety and replacing it with a new ordinance. The existing text requires accessory units to be used solely by a family member or caregiver and for the unit to be dismantled once the need no longer exists. The proposed new ordinance is to help residents, and seniors particularly, to remain in their home by allowing small, accessory use within the same property by right, provide certain requirements are met. The proposed ordinance adds more flexibility to create housing options, removes the tenant restrictions of only a family member or caregiver (anyone may rent the unit), adds, among other things, the purpose of adding moderately priced rental units to the housing stock to meet the needs of smaller households and moderate-income households, to encourage efficient use of the city's housing supply while preserving the character of city neighborhoods, to preserve family bonds, and to permit the owner of an existing or proposed detached dwelling to construct one additional dwelling unit that is incidental and subordinate to the principal dwelling. The Building Inspector shall administer and enforce the provisions of this section unless a special permit is required then the Zoning Board of Appeals will be the Special Permit Granting Authority. The ordinance provides procedures, application process, requirements for accessory dwelling units, Special permits and termination of use.

2. An Ordinance Amending Zoning Section 3.1 Table of Principal and Accessory Use Regulations of the City of Salem Zoning Ordinance to allow an accessory living area use in the RC, R1, R2 and R3 zoning districts.
