“Emergency Shelter Space” means a City-authorized location, within the City of Salem or in any other municipality of which the nearest border of said municipality is no more than 15 miles from the nearest border of Salem, providing temporary shelter or alternative sleeping space practically available to persons experiencing homelessness. Emergency Shelter Space shall be at a shelter, housing accommodation, or alternative sleeping space that maintains policies and procedures for accommodations under the Americans with Disabilities Act.

“Period When Shelter Is Unavailable” means a length of time in which there is no Emergency Shelter Space available to individuals experiencing homelessness in Salem.

(b) Purpose

- (i) It is the purpose of this Ordinance to promote public health, public safety, general welfare, and the economic health and well-being of Salem, its workers, visitors, and residents, including individuals experiencing homelessness, by prohibiting unsanctioned camping and the dangerous and unsafe conditions surrounding such Campsites.
- (ii) The Ordinance seeks to improve access to housing and recovery services by restoring access to public spaces, the public right-of-way, and curtailing the existence of Campsites that shield drug trafficking, human trafficking, weapons, fire hazards, violence, and other criminal activity, and that create conditions for large crowds to congregate. It is also the purpose of this Ordinance to protect the rights of individuals related to their personal property and to treat such property with respect and consideration.
- (iii) This Ordinance shall apply to all Campsites and camping on public property, including, but not limited to, streets, sidewalks, and public rights-of-way.

(c) Unlawful Camping on Public Property

It is unlawful for any person to camp or maintain a Campsite or Camp Materials in or on any public property or in the public right-of-way, including, but not limited to, any street, sidewalk, school or public park, unless specifically authorized by the City or during a Period When Shelter Is Unavailable, subject to the restrictions and regulations specified by this Section.

(d) Unlawful Camping on Private Property

Unless specifically authorized by the City or during a Period When Shelter Is Unavailable, it is unlawful for any person to camp or maintain a Campsite or Camp Materials upon private property in the City for more than 48 hours unless allowed by the City’s Zoning Code as a permitted Commercial Recreation (Outdoor) or Nonprofit Outdoor Recreational Facilities use.

- (iii) During a Period When Shelter Is Unavailable, or when a Campsite is specifically authorized by the City, a Campsite or use of Camp Materials must comply with existing state and local laws to ensure public health and safety of those in and around the Campsite.
- (iv) During any Period When Shelter Is Unavailable, the City, through the Board of Health or its Agent, the Police Department, the Fire Department, and the Department of Inspectional Services, is hereby authorized to promulgate any additional regulations relative to the time, place, and manner for camping and for the density of Campsites on either public or private property, in order to protect public health, maintain access to the public right-of-way, protect private property, and support the effective operation of facilities such as schools, shelters, and health care institutions during such periods.

(f) Offer of Shelter

- (i) In the event of a violation of this Ordinance, the City shall provide, or cause to be provided, an offer of available Emergency Shelter Space to an individual experiencing homelessness and must inform that individual that transportation to available Emergency Shelter Space is available.
