Resolution: Expressing Support for Commonwealth Wind

WHEREAS: The Commonwealth of Massachusetts 83C III Solicitation represents a transformative opportunity to invest in and create substantial renewable power for Massachusetts, reduce our carbon footprint, expand and grow our tax base, and create hundreds of green energy jobs; and,

WHEREAS: The Commonwealth Wind partnership between Crowley Maritime, Vineyard Wind, and the City of Salem stands as a strong complement to New Bedford's Marine Commerce Terminal, enabling Massachusetts to expand its overall port capacity and retain the Commonwealth's position as a national and even global leader in offshore wind development; and,

WHEREAS: Salem's deep-water port provides sufficient upland area, a federally maintained navigation channel, and no height or width limitations, making it one of only a few ports in the northeast United States with the physical characteristics necessary for floating turbines; and,

WHEREAS: Locally, the Commonwealth Wind project would leverage substantial private funding to carry out an estimated \$150 million in critical improvements to Salem's aging port infrastructure and bring an immediate and enduring positive economic and social benefit to the entire North Shore region through jobs and growth; and,

WHEREAS: Salem itself has a storied and proud history of looking to the sea to ensure a prosperous and vibrant future for our community, and the Commonwealth Wind project builds on and continues that legacy.

NOW THEREFORE BE IT RESOLVED: That the Mayor of the City of Salem and the Salem City Council expresses its strongest possible support for the Commonwealth Wind project proposed in response to the Commonwealth of Massachusetts's current 83C III Solicitation.

MOTIONS, ORDERS AND RESOLUTIONS

Councillor Madore

ORDERED That the Committee on Ordinances, Licenses, and Legal Affairs co-posted with Committee of the Whole meet to deliberate and edit as necessary the following ordinance amendment relative to bicycle safety and return to the full Council with a recommendation, and that the Mayor or their designee, Traffic & Parking Director or their designee, Chairs of the Traffic and Parking Commission & Bicycle Advisory Committee or their designees, and the Director of Public Services or their designee be invited.

An Ordinance to amend an ordinance relative to bicycle safety

Be it ordained by the City Council of the City of Salem, as follows:

Section 1. The City of Salem's Code of Ordinances is hereby amended to insert:

Chapter 50. Bicycle Safety

1. Purpose

To eliminate fatalities and injuries on City streets in accordance with the City's transportation guiding principles through safety improvements and the construction of a connected network of permanent separated bicycle lanes across the City as recommended in Salem Bicycle Master Plan adopted in October 2018.

2. Definitions

- a) "Salem Bicycle Master Plan" shall mean the plan adopted by the City of Salem in October 2018 to create a framework for developing a network of complete streets.
- b) "Adequate Directionality" shall mean (1) a two-way street with a separated bicycle lane or lanes that allow bicycle travel in both directions, or (2) a one-way street with a separated bicycle lane or lanes that allow bicycle travel either in the direction of the flow of vehicular traffic or in both directions.
- c) "Connectivity" shall mean the provision of a Permanent Separated Bicycle Lane network that reflects desired routes between all major origins and destinations in the City.
- d) "Improvements" shall mean the construction of new City-owned streets, or the reconstruction of an existing City-owned street, including but not limited to full depth reconstruction, expansion, and/or alteration of a roadway or intersection. Improvements shall not include routine maintenance, repairs, restriping of the road surface, or emergency repairs to the surface of a roadway (collectively "Maintenance"), provided that existing bicycle lanes will be restored to existing conditions or better.
- e) "Separated Network" shall mean the proposed set of bicycle facilities identified in the Salem Bicycle Master Plan (Map 3), or any plan superseding it, provided, however, that any such plan shall maintain Connectivity.
- f) "Permanent Separated Bicycle Lane" shall mean a bicycle lane separated from motor vehicle traffic by a permanent vertical barrier that shall remain in place year-round, including but not limited to granite or concrete barriers and raised curbs, provided, however, that the bicycle lane need not be separated from motor vehicle traffic by a permanent vertical barrier for short stretches to accommodate crosswalks, curb cuts,

accessible parking and accessible loading, intersections, and Public Transportation, and provided further, that existing bicycle lanes may be temporarily removed during construction of Improvements or Maintenance, so long as they are restored to existing conditions or better.

- g) "Public Transportation" shall mean bus and shuttle stops for the Massachusetts Bay Transportation Authority (MBTA).
- h) "Quick-Build Separated Bicycle Lane" shall mean a bicycle lane separated from motor vehicle traffic by flexible delineator posts, or a similar separator, that shall remain in place year-round, provided, however, that the bicycle lane need not be separated from motor vehicle traffic for short stretches to accommodate crosswalks, curb cuts, accessible parking and accessible loading, intersections, and Public Transportation, and provided further, that existing bicycle lanes may be temporarily removed during construction of Improvements or Maintenance, so long as they are restored to existing conditions or better.
- i) "Temporary Traffic Control Device Separated Bicycle Lane" shall mean a bicycle lane with painted lines separated from motor vehicle traffic by traffic cones, traffic barrels, non-permanent flex posts, or a similar bicycle lane separator, that shall remain in place year-round except during significant snow events, but shall be reinstalled as quickly as is feasible following significant snow events, provided, however, that the Temporary Traffic Control Device Separated Bicycle Lane need not be separated from motor vehicle traffic for short stretches to accommodate crosswalks, curb cuts, accessible parking and accessible loading, intersections, and Public Transportation, and provided further, that existing bicycle lanes may be temporarily removed during construction of Improvements or Maintenance, so long as they are restored to existing conditions or better.

3. Requirements

- a) Whenever Improvements are made to a City-owned street, the Mayor shall cause such Improvements to comply with recommendations as outlined from page 17 through 27 of the Salem Bicycle Master Plan, or any plan superseding it; provided, that if Improvements are made to a segment of the Separated Network, a Permanent Separated Bicycle Lane with Adequate Directionality shall be installed along that segment.
- b) Full compliance with the provisions of section 3(a) above is not required where the Mayor can demonstrate through a written alternatives analysis, to be made public, why it is impractical to comply with the provisions of section 3(a) above, and where there will be a loss of Connectivity if the provisions of 3(a) are not complied with, how Connectivity could be otherwise advanced, if possible.

Section 2. This Ordinance shall take effect as provided by City Charter.
