The City of Salem owns and operates real property needed for the effective provision and management of municipal services. The city recognizes that from time-to-time property may no longer be needed for any municipal purpose. We further recommend that a regularly updated list of flag raising events be added to the Salem city calendar and that the policy be separate and accessible. Additionally, we recommend that a flag raising calendar be submitted to the city council on the first regular council meeting of the new year to be received and filed. We recommend that requesting organization provide the flag(s) We further recommend that item 6 in the flag policy be further amended to list only established military commemoration days or federally recognized holidays and that requests for cultural flag raisings come through the request form online or by order of the mayor and or council. We recommend a standardized duration for flags being lowered and raised be determined and communicated. And that the city establishes a minimum number of days to receive the application prior to a flag being raised.
