MEETING NOTICE AND AGENDA

The City Council will meet on Thursday, December 3, 2020 at 7:00 P.M. remotely to hold its regular meeting for the purpose of discussing any and all business including the public hearing for the Fiscal Year 2021 Tax Rate. Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Salem City Council will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found on the city's website, at www.salem.com. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on the city's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

For this meeting, members of the public who wish to watch, listen or provide comment (if applicable) during the meeting may do so in the following manner:

CITY COUNCIL REGULAR MEETING

MAYOR’S INFORMATIONAL PAGE

Letter from the Mayor with her recommendation of the setting of the current fiscal year tax rate. The Mayor’s recommendation for the proposed tax rate of \$13.80 for residential and \$27.60 for commercial which will again be under the City’s allowable levy limit. (See *below for letter in full*)

Ladies and Gentlemen of the City Council:

Each year the City Council must vote to set the residential tax factor and thereby set the tax rate for the fiscal year. In Massachusetts, Proposition 2 ½ caps new property taxes at no more than 2.5% of the previous year’s levy. This year, the tax rate – \$13.80 for residential and \$27.60 for commercial – is once again under the City’s allowable levy limit, with excess levy capacity of approximately \$4.6 million dollars remaining, validating our City’s responsible approach to budgeting and managing public finances. We continue to maintain a generally low tax bill increase over time, as well, with the average increase over the last 10 years for the average single-family taxpayer in Salem coming in at a reasonable 3.1% or \$160 per year.

Based on the rates above, the change in the average single-family tax bill will be \$144 (2.42%), the average condominium unit change will be \$0 (0%), the average two-family change will be \$102 per unit (3.08%), the average three-family change will be \$179 per unit (7.33%). As you may recall, average percentage increases do change from year to year within residential categories and the residential tax rate is the same regardless of the type of residential property within this classification. Increases vary based on valuation and growth increases year to year, which is driven by market price fluctuations approximately 12 – 18 months prior. Given the range of commercial properties in Salem, from small shops to hotels to large office complexes, it is hard to identify a truly “average commercial property,” however the average commercial property increase is estimated at 3.21%. Appropriation orders submitted separately applies receipts reserved and free cash to help hold down the increase in property taxes, reducing the total amount raised by taxation and saving Salem property owners from an additional \$1.475 million in taxes to be collected.

Despite an active housing market increasing values and despite increases in fixed costs for delivering local services this fiscal year, we have managed to keep tax increases relatively low. The reason for this is simple: growth matters. As we grow our tax base, we have been able to successfully distribute the burden of funding critical local services to more taxpayers, alleviating the burden on existing property owners. This is why – in addition to the housing need and the desire to

CITY OF SALEM**DECEMBER 3, 2020****CITY COUNCIL REGULAR MEETING****MAYOR'S INFORMATIONAL PAGE**

great good, local jobs – it is so very important we consider new growth opportunities with an open mind and strategic approach. We cannot cut our way to stabilized taxes or better services; we can, however, broaden the size of the base that funds our local government, thereby stabilizing taxes and improving services. FY2021 once again demonstrates that exact strategy at work.

We always strive to manage the overall tax burden on our City's homeowners and I am proud that we have never needed or sought a Proposition 2 ½ override. We seek efficiencies and opportunities for regionalization or streamlining. We look to technology and performance improvement strategies to reduce the cost of doing business. We shift the cost of government off property taxpayers by pursuing a substantial number of grant opportunities and by looking to tax options that shift those costs to visitors when possible by supporting the development of new hotels, the extension of lodging taxes to short-term rentals, and the responsible growth of the recreational cannabis industry.

The most powerful tool at our disposal, however, is responsible, sensible private development that adds to our tax base. Therefore, we have advocated for the appropriate redevelopment of sites such as the former courthouses, the vacant power plant property, and other under-utilized and vacant former industrial parcels. I am extremely pleased that certified new growth this fiscal year is \$1.6 million, which is of significant assistance as we work together to provide much needed services in the areas of public safety, schools and public services, at a reasonable cost to property owners.

We have also been extremely pro-active in pursuing grant opportunities whenever they become available. Since the start of my administration in 2006 we have successfully received over \$150 million in state and federal grants. Just about one-fifth of our revenues is aid from the state, and we still rely on and require a strong state partnership to make much needed infrastructure investments. We also work to have meaningful partnerships with our anchor institutions and non-profits, including our tax agreement and CBA with Footprint, investments in our schools and neighborhoods from SSU, expanded community support from NSMC, and our ongoing push for a nearly two decades' over-due adjustment in our SESD PILOT.

One of the biggest challenges we continue to face is pressure from reductions in revenues and increases in fixed costs. Fixed costs for FY2021, such as state charges, health insurance costs, Medicare, worker's compensation, debt payments, and municipal insurance, increased by \$1.6 million over last year. As you might recall, the FY2021 budget we filed included \$1.4 million in cuts due to the uncertainty of the economy this past spring.

When it comes to non-tax revenues, local aid for FY2021 was level funded by the state, and, as you may be aware, we have seen considerable reductions in our hotel and meals excise revenues

CITY OF SALEM**DECEMBER 3, 2020****CITY COUNCIL REGULAR MEETING****MAYOR'S INFORMATIONAL PAGE**

and parking receipts, due to the pandemic's economic impacts. While growth and cannabis excise are up, collectively our parking, meals, and hotel receipts for the first quarter of FY2021 were down by 35%, meaning we took in close to \$845,000 less that quarter than we did in the same quarter of FY2020.

As we set our tax rate for the current fiscal year, the recommendation is to set the residential factor at .849947 and CIP split to 1.7.

The vision for our City laid out in our annual budget, and continued with this tax proposal, reflects our collective desire to keep Salem a vibrant, thriving community that delivers quality public services in as efficient and affordable a manner as possible. When I took office, we faced a \$3.5 million deficit. We spent all our savings just to keep the lights on and were forced to borrow money to pay normal operating expenses. We have worked collaboratively over the years to eliminate prior deficits, improve city finances, and balance our books with an eye on both the needs of today and our aspirations for the future. It has not always been easy. Just as we emerged from those local fiscal trials in 2007 our national economy spiraled into a recession and, just as we were building back from that crisis the current pandemic brought a sharp decline in our economy.

But whatever the cause of our challenges, we weathered them and are today still resiliently positioned for success, with strong growth, a declining unemployment rate, still record bond ratings, and award-winning balanced budgets. Our City's bond rating from Standard & Poor's was upgraded seven years ago to AA, the highest in the City's history. In their most recent ratings report the agency cited our financial stability and conservative budgeting practices in affirming that strong rating. This is validation that Salem's fiscal policies are of the highest standard and that the path we have set for ourselves is the correct one for our community.

I am grateful for our partnership in securing a healthy municipal fiscal environment and recommend adoption of the proposed residential factor which will enable us to finalize property tax rates for this fiscal year.

Very truly yours,

Kimberley Driscoll
