Honorable Salem City Council
Salem City Hall
Salem, Massachusetts 01970

Ladies and Gentlemen of the City Council:

I am very pleased to appoint Rebecca Christie, J.D., of 17 Marlborough Road, to the Salem Commission on Disabilities for a three-year term to expire April 13, 2020.

Attorney Christie is a compliance officer with the Massachusetts Department of Developmental Services, where she has worked since 1996. Prior to that she worked as senior residential director at North Shore ARC and the director of residential services at Project Triangle, among other positions in her 45-year career in human services. She has extensive experience working with and supporting individuals with different abilities and needs, as well as legal and public policy expertise in the field. Attorney Christie is a certified trainer for a number of developmental programs and has volunteered locally as one of the founders of the "Freeze Your Tush Off" charity swim for the Salem Food Pantry and as a former member of the Salem Conservation Commission.

I strongly recommend confirmation of Attorney Christie's appointment to the Disabilities Commission. We are fortunate that she is willing to volunteer to serve our community in this important role and lend her expertise and dedication to this commission and their work.

Very truly yours,

Ladies and Gentlemen of the City Council:

The attached Order appropriates \$33,000 from our short-term capital outlay account to fund repairs necessary to prepare the Forest River Park pool for operation when it opens on July 1.

As you may be aware, we are in the midst of a study related to a major improvements project planned for the pool and the park as a whole. That work is more long term in focus and continues to move forward, based on the feedback the City received from residents who attended a recent public meeting on the concept. This appropriation will enable the City to repair the showers and pool deck, repaint the pool, and carry out other necessary mechanical and engineering work to enable the pool to open for the season on July 1.

I recommend adoption of the enclosed Order as your earliest convenience, so that this work can be scheduled and completed in advance of the July 1 pool opening date.

Sincerely,

That the sum of Twenty-Five Thousand Dollars (\$25,000) is hereby appropriated from the "Capital Outlay Renovation and Repair" account (20003-584616) to be expended to fund a study and assessment of the Salem Common Bandstand in accordance with the recommendation of Her Honor the Mayor.

CITY OF SALEM, MASSACHUSETTS

Kimberley Driscoll

May 11, 2017

Honorable Salem City Council
Salem City Hall
Salem, Massachusetts 01970

Ladies and Gentlemen of the City Council:

The attached Order appropriates \$25,000 from our short-term capital outlay account to fund a conditions assessment and restoration plan for the Jean Missud bandstand on Salem Common.

This structure, designed by Philip Horton Smith, is of central and signature importance to our Common and was built in 1926 as part of the City's commemoration of the Salem Tercentennial. During the celebration of the nation's bicentennial in 1976 the building was dedicated to Jean Missud, who founded the Salem Cadet Band in 1878 and led that group for 63 years, including numerous public concerts in this bandstand.

This appropriation will fund an existing conditions assessment from which a restoration and upgrade plan can be developed. That plan will include recommended improvements that cover, but are not limited to electrical and lighting, masonry, the surrounding hardscape and landscape plaza, basement access, and security and systems control. We are asking that the plan cover both restoration needs and, in addition, upgrades that might enhance the programs possible in this historic and centrally located public facility.

In addition to providing a timeline, the plan will also include cost estimates that will enable the City to pursue grant or other funding for the final design and construction costs. The selected firm will also develop construction documents from the final plan and remain engaged in the construction administration process itself. We are requiring the firm to include at least one public meeting in the initial design phase of the project.

I recommend adoption of the enclosed Order so we may commence this work and I am happy to answer any questions you may have regarding this request.

Sincerely,

A handwritten signature in cursive script that reads "Kimberley Driscoll".

RE: Request for Funding: Salem Common Bandstand Study

Dear Honorable Mayor Driscoll:

This request is for a Council Order to transfer \$25,000 of "Short-Term Capital Outlay" to the "Salem Common Bandstand CIP" account.

The current bandstand, built in 1926 for the City's Tercentennial, has not had an assessment in over 20 years, and has electrical, security, masonry and other issues that need to be addressed. It is important that the City invest in preservation of this asset in order to maintain and improve it. The Department of Public Works would like to hire a consultant to assess the condition of the bandstand and surrounding plaza and its current use by the community. The consultant would then identify different options for restoration, including cost estimates and timing. Once consensus is achieved on the restoration scope and cost, we will request additional funds and/or seek grants for final design and implementation.

Please submit this request for a study to the City Council for their consideration.

Sincerely,

David H. Knowlton, P.E.

DRAFT

Scope of Engineering and Architectural Services

Common Bandstand

Salem Common

Salem, MA

SCOPE OF SERVICES

The Salem Common is a historic designated site. In the center of the Common is a Bandstand built in 1926 which is approximately 750 sq. ft. The Salem Common is a local and National Historic site. The City seeks the services of a design firm to perform the following tasks.

Task 1. Existing Conditions Assessment

The architect and engineer will survey the existing structure and surrounding plaza, including the masonry, structure, electrical, basement, and other conditions. Information on the age, condition, materials, and other relevant information should be provided. Designer should include site visits and at least one meeting with the City. Any testing work that will be needed as a reimbursable should be identified. The consultant should document current uses and programming of the bandstand.

Task 2: Development of Plan to Restore and Upgrade Bandstand

The architect and engineer should develop an improvement plan for the Common Bandstand, addressing all issues noted below:

- Electrical, including lighting
- Structural
- Masonry
- Restoration
- Surrounding Plaza - hardscape or landscape
- Plumbing, if applicable
- Access to basement, including a plan to address vandalism
- Maintenance
- Code issues
- Security and control of systems (electrical, access to basement, etc)
- Other as determined by consultant

The firm should plan for at least one meeting with the City and at least one public meeting to present findings and plans. The firm should consider the historic and current public use of the Common in its recommendations, as well as upgrades that enhance the programmatic capabilities. This plan should include timeline and cost estimates. A range of options should be provided from minimum upgrades needed to full restoration and enhancement.

The City would be requesting a firm proposal and scope for Task 1 and 2. Task 3 and 4 are provided for informational purposes only, should the City decide to proceed with final design and construction. The City would like initial estimates of the cost.

Task 3: Construction Documents

Development of final design and specifications (construction documents) for bidding, including a meeting to go over draft design. Support for questions during the bidding process. This should include final cost, schedule, and phasing.

Provide estimate of price and timeline

Task 4: Construction Administration

Review and approve submittals, change orders, and other invoices. Attend construction meetings. Develop punchlist. Deliver all final documentation and maintenance information to the City.

Provide estimate of price.

Timeline:

- **Task 1: 3 weeks from approval**
- **Task 2: 4 weeks from approval for draft, final 2 weeks from receipt of comments**

Re: Two used Manchester PD cruisers

Dear Mayor Driscoll:

Per our conversation on Wednesday April 19, 2017 during the CIP Budget meeting, I am requesting \$13,973.75 from Capital Funds to purchase two used vehicles from the Manchester by the Sea Police Department. The vehicles are as follows:

1. 2013 Ford Interceptor Sedan VIN# 1FAHP2M81DG119334
2. 2013 Ford Interceptor Utility VIN# 1FM5K8ARXDGC87092

The cost of the Sedan is \$4,900 and \$2,573.75 to paint and install graphics. This vehicle will then be placed into service as a K9 unit. The cost of the Utility is \$6,500. This vehicle will then be placed into service in CID.

I am available at any time to answer any questions or concerns on this matter. Thank you in advance for your time and consideration.

Ladies and Gentleman of the Council:

Enclosed herewith is a request to transfer Six Thousand Dollars (\$6,000.00) from the "Library Full-time Salary" account (16101-5111) to the "Library Building Maintenance" account (16105-5241).

This request is necessary to cover the cost of significant repairs to an Air Conditioner in the Library.

I recommend passage of this accompanying order.

Sincerely,

TARA MANSFIELD, *Acting Director*

The Honorable Kimberley Driscoll
City Hall

Salem, MA 01970

May 3, 2017

Dear Mayor Driscoll,

I respectfully request approval for the transfer of \$6,000 from the Library's Full Time Salaries budget line to the Building Maintenance expense line to help pay for emergency repairs to the Library's ailing HVAC system. Last summer, the Library had four air conditioning units operating and six units that were unable to be used. Routine maintenance by Falite Brothers performed last week revealed that one of the previously functioning units cannot be used this year until a major repair is undertaken. This unit is responsible for cooling the mezzanine level and the main floor near the front of the building. Additional repairs have also been recommended for the remaining operational units to improve functionality.

The library does not currently have enough money to pay for the repairs in the Building Maintenance line, so I am respectfully requesting a transfer of funds to get the unit up and running before the warm weather arrives. The Library has had two full time vacancies this year. One position has been filled, and the other is still in the interviewing process and will not be filled for several weeks. We feel that transferring the money to repair the air conditioning unit will benefit all who visit the Library, and our staff.

Thank you for considering this matter.

Sincerely,

Tara Mansfield

Honorable Salem City Council
Salem City Hall
Salem, Massachusetts 01970

Ladies and Gentlemen of the City Council:

As you know May is National Historic Preservation Month and we launched our month-long celebration of the occasion with a breakfast hosted by our preservation partner organizations, including the Salem Historical Commission, Historic Salem, Inc., the National Park Service, The House of the Seven Gables, the Peabody Essex Museum, Essex National Heritage Commission, the Salem Historical Society, the Friends of Greenlawn Cemetery, the Witch House, Pioneer Village, Salem Main Streets, the Salem Partnership, and Destination Salem. I am writing to request at our Council meeting of May 11 the opportunity for a brief presentation that was also shared at the breakfast.

Preservation Month is an opportunity for us to highlight local preservation efforts and celebrate the special places that make Salem unique. We can make clear why preservation is so important to Salem and to honor and celebrate the historic sites and partner organizations that make our community so special. Historic preservation is more than just saving old houses; it serves as a vital tool for economic development, revitalizing our neighborhoods, and fostering community pride.

This month the Salem Historical Commission and its partners are sponsoring a series of workshops in May, including a workshop for historic homeowners that took place last week. The Salem Historical Commission will also unveil several new initiatives, including a "Preserving Salem" website to highlight Salem's historic sites, provide updates on current restoration projects in the City, and serve as a resource for owners of historic buildings. The City will be installing six new interpretive panels in historic neighborhoods and parks throughout Salem and in June, consultants will complete a survey of historic buildings in downtown Salem and will present their findings to the Historical Commission and the Salem Redevelopment Authority.

Sincerely,

A handwritten signature in black ink, appearing to read "Kim Driscoll", is written over a horizontal line.

An Ordinance to amend the ordinance relative to Constables

Be it ordained by the City Council of the City of Salem, as follows:

Section I

Chapter 32 – Police is hereby amended by deleting Sec. 32-19 – Constables in its entirety and replacing it with the following:

"Sec. 32-19. - Constables.

(a) Pursuant to G.L. Chapter 41, Section 91, the mayor may appoint constables. Such appointments shall be made for a term not exceeding three years. An application for appointment as constable shall be accompanied by a non-refundable application fee of \$100.00 for first-time applicants to cover the city's cost of processing. There shall also be a fee of \$50.00 for each year of the appointment, payable to the city upon application which shall be refunded in the event the application is not approved. The total number of constables at any one time shall not exceed 100. No fees shall apply to any city employees who are appointed to serve as constables as a part of their city jobs.

(b) Applicants for constable must be at least 21 years of age and submit a written resume and completed application to the mayor containing such information reasonably required by the city for use in determining the fitness, reputation and character of the applicant to hold the office of constable. Proof of appropriate training and/or experience shall be required as a part of this determination. All applicants for appointment or reappointment as constable shall, as part of the application, consent in writing to a background investigation and a Criminal Offender Record Information (CORI) report. These application materials shall be forwarded to the police chief who shall conduct an investigation and make a recommendation to the mayor as to the individual's fitness to serve as a constable. Pursuant to M.G.L., Chap. 41, Sec. 91B, the application shall include a statement as to the moral character of the applicant signed by a minimum of five (5) citizens of the community in which he/she resides, one of whom must be an attorney. All constables shall also be subject to the fingerprinting requirements of Sec. 14-46, and shall, once appointed, receive a photo identification badge issued by the police department.

(c) Prior to appointment, a constable must obtain and submit to the city clerk a surety bond in the amount of \$5,000 pursuant to the provisions of M.G.L., Chap. 41, Sec. 92. Said bond shall be maintained throughout the term of the constable's appointment.

(d) Constables appointed pursuant to this ordinance shall be subject at all times to the orders as well as any rules and regulations pertaining to constables issued by the police chief. No constable appointed by the city shall wear a uniform similar to that of the appointed officers of the city's police department, or to that of any other appointed police officers within the Commonwealth, or otherwise attempt to present themselves as an appointed police officer. A constable who possesses a valid license to carry a firearm shall comply with all laws and regulations governing the use and possession of firearms. The mayor may, with the approval of the city council, revoke the appointment of a constable for gross misconduct. Gross misconduct shall include, but not be limited to: (1) failure to follow the police chief's orders; (2) violation of the rules and regulations governing constables; (3) violation of any provision of this section; and (4) criminal acts in violation of the laws of the United States or any local jurisdiction."

Section II. This Ordinance shall take effect as provided by City Charter.
