Important Announcement:

Every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so on matters not requiring a public hearing, we will post on the City of Salem's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Individuals may participate remotely in the meeting via a remote participation platform called Zoom. Members of the public and/or parties with a right and/or requirement to attend this meeting may access the remote participation meeting through any one of the following ways:

Providing Public Comment During the Meeting:

Members of the public attending this meeting virtually will be allowed to make comments during the portion of the hearing designated for each agenda item. Members of the public will be asked to use the virtual “Raise Hand” function in Zoom to indicate that they would like to provide comment.

- Dial *9 on your phone’s dial pad to raise your hand if you are using the toll-free number.
- Click the “Raise Hand” button if you are using the Zoom application on your computer or phone.

For each agenda item, the moderator will identify attendees with raised hands by their screenname or the last 3 digits of their telephone number and will then unmute them. The moderator will then request that the attendee unmute their device to provide their full name, address, and comment for the record.

The moderator will go down the list of attendees in the order presented by the Zoom application. The attendee list is ordered so that phone numbers are first, followed by an alphabetical list of the screen names of attendees accessing Zoom through a computer, tablet, or smartphone. Anyone that speaks about an issue unrelated to the agenda items will be immediately muted.

Providing Public Comment Before the Meeting:

Members of the public can alternatively email their comment before the start of the meeting to zoningboardcomments@salem.com.

Familiarizing Yourself with Zoom:

We encourage members of the public to install and familiarize themselves with Zoom in advance of the meeting.

If you plan on providing public comments and are logging into this meeting via the Zoom application, please test your speakers and microphone ahead of time. If we have trouble hearing you when you speak, we will move on to the next person and try to return to you later in the list. If this happens, we recommend that you call the toll-free number to access the meeting and provide your comment.

The Zoom meeting will open 15 minutes before the start of the meeting to allow participants to connect and practice with the audio and raise hand functions.
