**23. Acquisition and installation; space between meters.**

*(Formerly Chapter 42, Article V, Sec. 58.)*

The Mayor is hereby empowered, with the approval of the ~~City Council~~ Traffic and Parking Commission, to contract, in accordance with the provisions of M.G.L.A.C. 40, S.22A, for the acquisition and installation of parking meters provided for by this division and to maintain such meters in good workable condition.

~~The Traffic Committee~~ Traffic and Parking Commission is hereby authorized and directed to install parking meters within the areas described in this division or cause the same to be so installed. The meters shall be placed at intervals of not less than 20 feet apart, except that at the beginning and ending the spaces may be 18 feet apart and except in the municipal parking area and where angle parking is permitted, and not less than 12 inches nor more than 24 inches from the face of the curb adjacent to individual meter spaces.

**24. Meter signals indicating legal/illegal parking; overtime parking.**

*(Formerly Chapter 42, Article V, Sec. 59.)*

Meters shall be so constructed as to display a signal showing legal parking upon the deposit therein of the proper coin or coins of the United States as indicated by instruction on such meters and for such period of time as is or shall be indicated by this division or subsequent ordinances. Such signal shall remain in evidence until expiration of the parking period designated at which time a dropping of a signal automatically or some other mechanical operation shall indicate expiration of such parking period. In such case any vehicle remaining parked in any parking meter space adjacent to such meter displaying a signal indicating the expiration of a parking period shall be considered as parking overtime in violation of this division and the operator, owner, or manager thereof shall be subject to the penalties provided in section 17 hereof.

**25. Establishment and marking of spaces.**

*(Formerly Chapter 42, Article V, Sec. 60.)*

The ~~traffic committee~~ Traffic and Parking Commission is hereby authorized and directed to establish or cause to be established parking meter spaces, in such parking meter zones, as are herein specified, or as may be hereafter fixed by ordinance, and to indicate the same by white markings upon the surface of the highway.

**26. Bus stops, taxicab stands, service zones, etc.**

*(Formerly Chapter 42, Article V, Sec. 61.)*

Nothing in this division shall be construed as prohibiting the city from providing for bus stops, service zones, truck stands and taxicab stands within metered zones.

**27. Deposit of coins required to use parking spaces; unused time.**

*(Formerly Chapter 42, Article V, Sec. 62.)*

Whenever any vehicle shall be parked adjacent to a parking meter, the owner or operator of such vehicle shall park within the space designated by street marking lines and upon entering such space shall immediately deposit in such meter the required coin of the United States for the maximum legal parking period or proportionate period thereof both as indicated or shown on the meter, and, if so required, set the mechanism in motion; provided, that any person placing a vehicle in a parking meter space adjacent to a meter which indicates that unused time has been left in the meter by the previous occupant of the space shall not be required to deposit a coin so long as his occupancy of such space does not exceed the indicated unused parking time.

**28. Fees**

*(Formerly Chapter 42, Article V, Sec. 63.)*

The fee for the maximum parking time in parking meter zones and in municipal off-street parking meter zones, as determined by the Salem Parking Board, shall not exceed \$0.75 per half hour. (6/1/98; 4/23/09; 7/14/11)

**29. Deposit of coins to extend parking time beyond legal time.**

*(Formerly Chapter 42, Article V, Sec. 64.)*

It shall be unlawful for any person to deposit or cause to be deposited in a parking meter any coin for the purpose of permitting the vehicle of which he is in charge to remain in a parking space beyond the maximum period of time allowed in a particular zone.

**30. Vehicles to be parked wholly within designated spaces.**

*(Formerly Chapter 42, Article V, Sec. 65.)*

It shall be unlawful for any person to park a vehicle within a parking meter space unless such vehicle is wholly within the painted lines adjacent to such meter.

**31. Tampering with, depositing slugs, etc.**

*(Formerly Chapter 42, Article V, Sec. 66.)*

It shall be unlawful for any unauthorized person to tamper with, break, injure or destroy any parking meter or to deposit or cause to be deposited in such meter any slugs, device or metallic substance or any other substitute for the coins required.

**32. Commercial vehicles loading or unloading.**

*(Formerly Chapter 42, Article V, Sec. 67.)*

**ARTICLE VI. - SALEM HIGH SCHOOL**

*(Formerly Chapter 42, Article VII.)*

**38. Parking and traffic regulations on grounds of Salem High School.**

*(Formerly Chapter 42, Article VII, Sec. 87.)*

The following parking and traffic regulations shall be in effect on all roads and ways, in existence on the grounds of the Salem High School, located at 77 Willson Street, Salem, Massachusetts.

No person shall park a vehicle on any of the roads and ways located on the grounds of the Salem High School.

The roads at the immediate front and rear of the Salem High School are hereby designated as fire lanes and can be used only in accordance with the other provisions of this Ordinance relative to fire lanes.

No person shall park a vehicle on said grounds of the Salem High School except on the student, faculty, and visitor parking lots.

Handicapped persons may park in the designated lot in front of the Unified Arts wing of the building.

No person shall operate a vehicle on any of said roads and ways above the limit of eight miles per hour.

The Police Department of the City of Salem shall enforce all provisions of this Ordinance as well as insuring compliance with posted parking, pedestrian and vehicular directions in order to eliminate hazardous conditions. (11/17/77 DPW B-3146)
