A Letter from the Mayor regarding the Carnival in October

Honorable Salem City Council
Salem City Hall
Salem, Massachusetts 01970

Ladies and Gentlemen of the City Council:

This letter is being submitted to notify you that we will not be filing a request to accommodate the October carnival this year. For the last eleven years, we have scheduled the carnival as an important part of our Haunted Happenings public safety operations, but after conversations with members of the City Council, it is now apparent that there are not sufficient votes to adjust the Ordinances prohibiting carnivals on either Riley Plaza or Salem Common – the two locations deemed most suitable for such an event by the Salem Police Department.

I am disappointed we will be removing this important tool from the Salem Police Department's toolkit for October. In 2006, the last year before we instituted the carnival, there were close to 40 arrests in October; in 2007, the first year of the carnival that number fell to 15 (for the last several years, arrests have been in single digits). Since that time, we have continued to improve our public safety response to October, not simply by adding more officers or resources, but using programmatic strategies including music stages, concluding fireworks, and the carnival. These assets helped make October more of a family-friendly event, changing the nature of the visitors who came to the city, especially later in the month. The carnival is more than an amusement and was an especially important component in providing youth between 13 and 20 with a constructive activity, in a well-lit and easily monitored location.

We will adjust public safety planning and resource allocation accordingly, of course, but the other impact of removing the carnival will be the reduction of \$20,000 to \$30,000 in additional revenues the carnival generated to help support public safety costs.

While a final proposal was not presented to the City Council until July, believe me the process of studying the suitability of over a dozen sites had commenced months earlier. Unfortunately, we were not able to coalesce around one site and generate support among a majority of councilors to move forward.

We will take the next month to regroup with Salem Police, NEMLEC, and our other public safety partners, in order to develop a plan for managing the October season without this resource in place.
