

#### **Proposed FY 2018 Budget**

Salem Public Schools
School Committee Meeting
Public Hearing
April 24, 2017

# FY 2018 Budget Goals

 Academic achievement for all students supported by strong school teams

Focus on school models and goals

 Equitable alignment of resources and enrollment

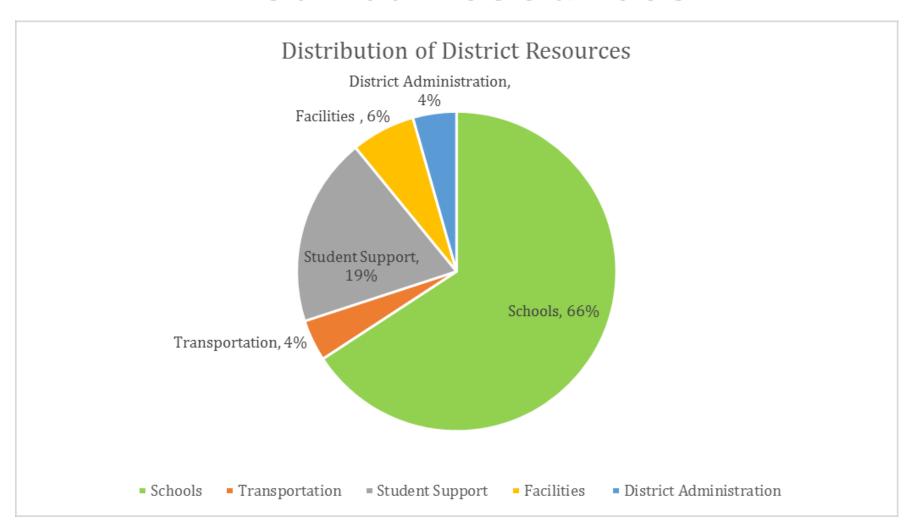

### FY 2018 Budget Projected Outcomes

- Continue acceleration of academic achievement for all students
- Alignment of resources and support school models and enrollment
- Ensure one City Connects trained counselor at every school
- Prepare for the implementation of strategic plan recommendations in FY19

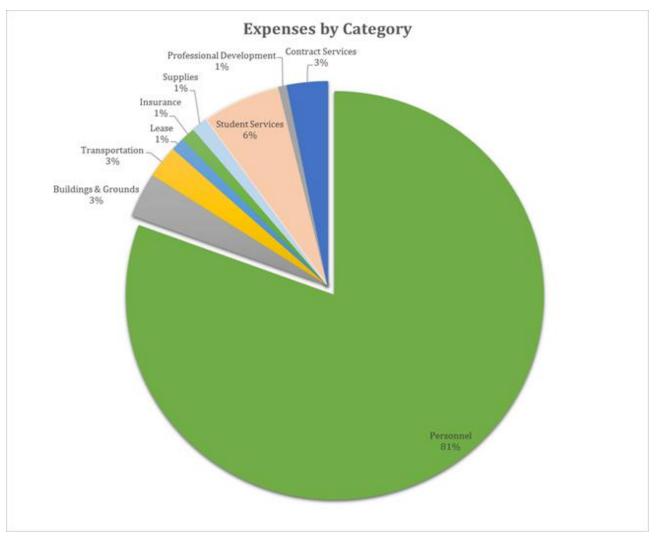

# Framework & Priorities that Guided FY18 Budget Decisions

| FY18<br>BUDGET<br>GUIDELINES<br>AND<br>PRIORITIES | Invest in initiatives that<br>are proven to be effective<br>in raising student<br>achievement   | Prioritize support of<br>students with the highest<br>need in the district   | Increase the alignment<br>between allocation of<br>resources to enrollment<br>trends and school goals | Invest in infrastructure<br>functions that will support<br>and enhance academic work<br>done in our schools   |
|---|---|--|---|---|
|   | <ul> <li>Maintain structures and programs that are working</li> <li>Investment in school and district initiatives</li> <li>Add new positions to align to goals and priorities</li> <li>Share roles and resources across schools and departments where possible</li> </ul> | <ul> <li>Shift staff and resources to better serve highest need students within and across the district</li> <li>Add new positions to better serve highest need students</li> <li>Share roles and resources across schools and departments where possible</li> </ul> | Shift non-personnel spending to support school-   | <ul> <li>Invest in school-specific initiatives and/or new staff</li> <li>Commit to enhancing family engagement and communication</li> <li>Enhance district's ability to leverage technology</li> <li>Invest in district wide social studies curriculum</li> </ul> |

### **FY18 Budget Highlights**

Invest in district wide personalized learning models

Target investments in e-learning

Launch City Connects district wide

### Other FY18 Budget Highlights Continued

Support Carlton innovation model & continue effective operational practices

Addition of math teacher at NLIS

Addition of adjustment counselor at WHES

### **FY18 Budget Highlights**

Collins Middle School

Nathaniel Bowditch School

Salem High School

### **FY18 Collins Middle School Highlights**

Continue to strengthen STEM

 Adjust student supports to student need through reduction of unfilled positions

Align staffing with student schedules

#### **FY18 Nathaniel Bowditch School History**

- Implemented different school models over the last 10 years
- 2013-2014 all Sheltered Immersion programs in district were transferred to Bowditch
- School was staffed for student population in the range 550-560 students

# **NBS Enrollment History**

#### **FY18 Nathaniel Bowditch School Highlights**

 Add partner to strengthen the practice of newer teachers

 Strengthen school community engagement

Align resources with projected enrollment

### Salem High School Highlights

 Adjust administrative and teaching staff to enrollment

Invest in full time CTE director

 Add Externship/Career Readiness Coordinator

### **Changes since April 3rd Presentation**

#### **Additions to FY 18 Budget:**

- Additional \$100,000 appropriation
  - 1 full time flex teacher to Carlton
  - Reading tutor at Carlton
  - Reading specialist at Bates
- Funding for district wide personalized learning models
- Request for Dominion Funds for social studies curriculum

### **Conclusion Proposed FY18 Budget**

 Invest in maintaining and accelerating student and school performance

Continue to align resources with enrollment

 Set stage for the implementation of strategic plan
