RESOLUTION: To Recognize National Gun Violence Awareness Day

WHEREAS, every day, 100 Americans are killed by gun violence and on average there are nearly 13,000 gun homicides every year. Americans are 25 times more likely to be killed with guns than people in other high-income countries and protecting public safety in the communities they serve is mayors’ highest responsibility; and

WHEREAS, support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from people with dangerous histories. Mayors and law enforcement officers know their communities best, are the most familiar with local criminal activity and how to address it, and are best positioned to understand how to keep their citizens safe; and

WHEREAS, in January 2013, Hadiya Pendleton, a teenager who marched in President Obama’s second inaugural parade and was tragically shot and killed just weeks later, should be now celebrating her 22nd birthday to help honor Hadiya – and the 100 Americans whose lives are cut short and the countless survivors who are injured by shootings every day – a national coalition of organizations has designated June 7, 2019, the first Friday in June, as the 5th National Gun Violence Awareness Day; and

WHEREAS, the idea was inspired by a group of Hadiya’s friends, who asked their classmates to commemorate her life by wearing orange; they chose this color because hunters wear orange to announce themselves to other hunters when out in the woods and orange is a color that symbolizes the value of human life; and

JUNE 13, 2019

CITY COUNCIL REGULAR MEETING

COMMUNICATIONS FROM THE MAYOR

WHEREAS, anyone can join this campaign by wearing orange on June 7th, the first Friday in June, to help raise awareness about gun violence. By wearing orange on June 7th Americans raise awareness about gun violence and honor the lives of gun violence victims and survivors; and

WHEREAS, dozens of Salem residents and others from the North Shore wore orange and assembled at Salem City Hall on June 7, 2019 to mark National Gun Violence Awareness Day;

THEREFORE, we, the City Council and Mayor of Salem, do recognize and support the efforts of the millions of students, parents, and other Americans who celebrate National Gun Violence Awareness Day and who advocate to end gun violence, and we call upon our federal government to – at long last – take meaningful action to reform gun laws, end the epidemic of gun violence in our country, and make our communities safer for all.

Communication from City Solicitor requesting an Executive Session

Ladies and Gentlemen of the Council:

I am writing to respectfully request that a meeting be held, either at a regularly scheduled City Council meeting or a special meeting, in executive session to discuss strategy with respect to threatened litigation relative to land in dispute at 20R Franklin Street because an open meeting may have a detrimental effect on the City's litigating position.

Last week, I updated Councilor Gerard about the recent research conducted by the Legal Department relative to the land in dispute at 20R Franklin Street and it is with her agreement that I request an executive session meeting be scheduled, through the City Clerk, with the City Council, Mayor Driscoll and myself.

Thank you for your consideration of this request.

Sincerely,
Elizabeth Rennard
