CITY OF SALEM**MAY 27, 2021****CITY COUNCIL REGULAR MEETING****COMMUNICATIONS FROM THE MAYOR**

Mayor submitting Fiscal year 2022 Operating and Capital Budget (See letter below)

Honorable Salem City Council
Salem City Hall
Salem, MA 01970

RE: FY2022 Budget Filing

Ladies and Gentlemen of the Council:

We are pleased to present the balanced FY2022 operating and capital budgets for the City of Salem and the Salem Public Schools. The complete budget binders will be provided to you on Thursday.

The COVID-19 pandemic has impacted our community, our Commonwealth, and our country to an unprecedented degree. The virus has taken lives, disrupted work and school, and forced us to adapt to ensure the health and safety of our community. Through it all, our dedicated City workforce has continued to provide the critical government services upon which our constituents rely every day. The pandemic, however, also triggered an unforeseeable financial crisis. With economic activity coming to a near complete standstill for much of FY2021, City revenues were substantially impacted. Now, however, our revenues are rebounding, and our local economy is coming back stronger than ever. Over the past year Salem had a net zero loss in businesses and our storefront vacancy rate decreased to 4%. Three of every five residents who lost their job at the height of the pandemic recession are now working again and the pace of our drop in unemployment is double that of the nationwide pace. We weathered the fiscal challenges without having to draw down substantially from our reserve funds or tap heavily into our levy capacity.

In FY2022 we will continue to strive to exceed the service level expectations of our constituents, while ensuring fiscal prudence in expenditures. The proposed budget aligns operations with our strategic goals and objectives, while maintaining necessary fiscal controls and a careful attention to our financial forecasts. It will demonstrate, once again, a strong commitment to the people we are fortunate enough to have been elected to serve. It continues our balanced and responsible approach to City finances. It invests in the critical services that make Salem a vibrant city and one with schools in which we can all take pride – in short, a stronger, more livable city for all. I look forward to working with you in the coming days to enact this proposed spending plan to ensure that Salem is a City that continues to welcome and work for everyone.

Sincerely,
Kimberley Driscoll, Mayor City of Salem
