At the time of, or before filing, an application under this Section 6.11, the applicant shall provide a copy of the application to the City of Salem Historical Commission and the Design Review Board. Nonresidential uses shall provide parking in accordance with Section 5.1.8 Table of Required Parking Spaces.

In mixed-use developments, the Planning Board may consider a reduction in total parking requirements based on an analysis of peak demand for non-competing uses provided by the applicant. In such cases the parking requirement for the largest of the uses (in terms of parking spaces required) shall be sufficient as determined by the Planning Board. An applicant shall use the latest peak demand analyses published by the Institute of Traffic Engineers (ITE) or other source acceptable to the Planning Board.

The parking requirements may be accommodated by either one or a combination of on-site parking and/or parking at municipal or other parking facilities in the vicinity of the Lot. All municipal or other parking facilities which are used to satisfy the parking requirement must meet the following criterion: The parking facility must be fewer than one thousand (1,000) feet from the Lot as measured in a straight line from the two (2) closest points between the Lot and

RESOLUTION

WHEREAS: On December 11, 2018, Betsye Petersen Sargent, after dedicating her professional life to the children and the community of Salem until her retirement 4 months before her death, passed away at age 79 after a brave battle with cancer, and;

WHEREAS: Betsye was a brilliant, dedicated, and life-changing educator over her 55 years of teaching, first as a Principal and the Gifted Education Director in the Salem Public Schools, and then by co-founding The Phoenix School more than 35 years ago, and;

WHEREAS: She was an adventurer and an innovator, serving as an inspiration and role model to her students, their families and our entire community. Betsye lived by and passed on these mantras to all: never stop trying new things and explore outside the box; don't be fearful of failing and trying again; ask for help when needed; and always give back to one's local, national, and global communities. She contributed to the Salem community herself as a member of The Rotary Club of Salem; Salem Partnership; Salem YMCA Board of Directors; and North Shore Medical Center's Patient Family Advisory Council. She established a community service club run by Phoenix students. Her dedicated support of conservation efforts for elephants and rhinos, in addition to her commitment to rescuing senior golden retrievers, were hallmarks of Betsye's philanthropic priorities, and;

WHEREAS: Betsye was a visionary ahead of her time – crafting a teaching methodology that reflected the core tenant she taught the hundreds of students who were so fortunate to benefit from her mentorship - that the world was her classroom. In her case, the “world” meant the streets, museums and parks of Salem, and stretched as well from Italy, to the Everglades of Florida, to the Caves of Indiana, to St. John in the U.S. Virgin Islands, and around the globe. Using creativity, imagination, technology and travel, she threw the gates of the world open to hundreds of students, who so often were struggling in more traditional academic settings, giving hope and a path to the future, and;

WHEREAS: Betsye often said that her last and greatest adventure would take her to the stars where she will continue to shine down on us all.

NOW THEREFORE, BE IT RESOLVED: That the City of Salem recognizes and honors Betsye Sargent's life of service to her students and our community;

AND BE IT FURTHER RESOLVED: That this resolution be made a matter of record of these proceedings, and that a suitable copy along with a City Seal be presented to her loved ones, in her memory and with gratitude, from the City of Salem in recognition of her remarkable service to our community.
