

#20

CITY OF SALEM

In City Council, January 12, 2023

Ordered: That the Committee on Public Health, Safety & Environment meet to discuss and adopt the Specialized Opt-In Code (Specialized Code) as follows:

The Specialized Code is focused on achieving net zero buildings in alignment with the Commonwealth's 2050 required emissions reductions. As the Specialized Code was available December 2022, it requires an affirmative vote from Council at the City level. Where adopted, the Specialized Code requires additional measures to reduce greenhouse gas emissions and make buildings ready for a clean energy future, in addition to the energy efficiency requirements in the Base and Stretch Codes.

In City Council January 12, 2023
Adopted
