General Discussion

- **100% Renewable Energy Resolution** – Councilor Dibble and Gerard have been working with MassPIRG students at Salem State University and have drafted a resolution document that has a non-binding agreement to move the City towards 100% clean energy implementation. Discussion of what to include in this resolution will be discussed.
Members of the MassPIRG Salem State group will be attendance to discuss this resolution as well.
- **Solar Installation on Schools** – City has been working with Endless Energy and Footprint Power to work out details on solar arrays on Witchcraft Heights and the Bentley School. City Energy Manager will update on status and steps moving forward for installation.
- **RETF Facebook Page** – Discuss content for a newly created Facebook page
