Superseding Order of Conditions

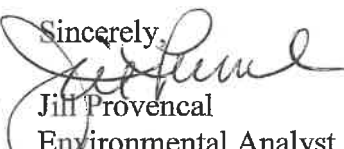

Dear Attorney Correnti:

In accordance with Massachusetts General Laws, Chapter 131, Section 40 and in preparation to issuance of the Superseding Order of Conditions, the Massachusetts Department of Environmental Protection, Wetlands Program-Northeast Regional Office ("MassDEP"), has scheduled a site evaluation with all parties. The purpose of this site evaluation is to determine if the area is significant to the interest of the Act and to informally discuss those issues relevant to the referenced project. I will be on site **Tuesday, May 9, 2017 at 9:00 AM.**

No activity may commence on any portion of the project subject to the jurisdiction of the Wetlands Protection Act, Massachusetts General Laws, Chapter 131, Section 40 until MassDEP has issued the Superseding Order of Conditions and all appeal periods have elapsed.

If you have any questions, please contact me at (978) 694-3250.

Sincerely,

Jill Provencal
