**CITY OF SALEM RFP 23-33-HAR**  
**MARITIME SERVICES**  
**FEBRUARY 16, 2023**

The following changes and additions are incorporated into the specifications packet:

**Price Submission Clarification**

The separate, sealed price proposal portion of the vendor response should consist only of the expected compensation to be paid to the City by the vendor (e.g., the overall payment based on season and vessel length and utility surcharge). It should not include any information about the vendor's own rates it will charge to customers.

**All other terms and conditions remain unchanged.**
