

## 2024 City of Salem & Waste Management Scholarship

### *For a More Sustainable Tomorrow*

The City of Salem, in partnership with Waste Management (The Solid Waste and Recycling service provider for the City of Salem) is excited to announce the 2024 annual scholarship program. This scholarship will award one \$1,000 scholarship to a student pursuing college or graduate level studies in preparation for a career focused on environmental sustainability. This includes careers in environmental science, education, engineering or law so long as there is a specific environmental focus (e.g., science education, environmental engineering, or environmental law).

All submissions are due by May 31<sup>st</sup>, 2024.

Please email submission to [jrolke@salem.com](mailto:jrolke@salem.com) or mail to:
