

The City of Salem is participating in two programs to increase the number of trees planted on private property:

**The Greening of the Gateway Cities Program,**  
part of the MA Urban Canopy Project, and  
**The Century Tree Program,**  
Salem's 400<sup>th</sup> anniversary project.

Greening of the Gateway Cities is a state program open only to residents in a designated Planting Zone.

To find out if you are eligible,  
visit: <https://www.maubancanopy.org/town/salem/>  
and enter your address in the map.

*-- Note that Ward 6 or Ward 1, Precinct 1  
are **not** included in the Planting Zone --*

If your property is in the Planting Zone,  
make an appointment with the Forester from the  
Department of Conservation and Recreation.

Call: 617-626-1502

Dozens of tree species are available. The Forester will help you select a beautiful tree and plant it for you. All you have to do is water the tree for two years.

*\*\* More \*\**

Under Salem's **Century Tree Program** residents can request a tree be planted on their property that will mature into a tall, majestic tree and flourish into the next century.

Trees will be planted by the city after a site evaluation  
for adequate space for roots and branches.  
and will be monitored for two years.  
After two years, you will be responsible for watering  
and tree care.

If you would like a tree to be planted on your property,  
email: [centurytree@salem.com](mailto:centurytree@salem.com)

This program is funded by donations to the  
**Salem Tree Fund.**
