

MAKE MONEY, MAKE A DIFFERENCE!

Adults with disabilities have the option to create individualized supports based on their vision and needs. The services are flexible and can be customized to meet the changing needs of the individual as they learn and grow.

Disabled adults may need assistance with:

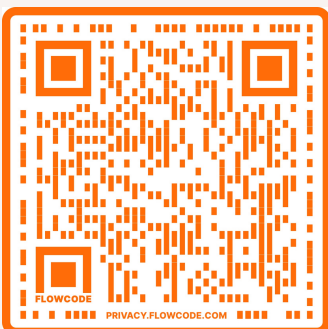

- Independent living skills like cooking, cleaning, budgeting, tech, etc.
- Transportation
- Support at their work-site
- Support in the community to explore hobbies, leisure activities, and new interests
- Personal care
- Emotional support
